PRECONTRACT APPROVAL RECORD
(PART TWO)

CONTRACT

GA-1853

25X1A

The services and equipment being procured by this Contract No. GA-1853 are in furtherance of the [redacted] Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

This Amendment No. 6 covers extended performance of the [redacted] effort from 1 July 1964 through 31 December 1964 at the estimated cost of [redacted] exclusive of the fixed fee of [redacted]. The Contractor had completed its effort in fiscal 1964 and by scheduling the man power in June 1964 arranged to complete the FY-64 effort within the funds and estimated cost established for FY-64. Accordingly this Amendment No. 6 covers additional effort from 1 July through 31 December 1964. Pending the availability of additional funds the Contractor has been limited to costs not exceeding [redacted] through 31 August 1964.
